Daylight - David Kushner

[Verse] Bb Gm F F [Intro] Bb Gm Dm X
Telling myself I won't go there Bb Gm F X
Oh, but I know that I won't care
Tryna wash away all the blood I've spilt - …
This lust is a burden that we both share
Two sinners can't atone from a lone prayer
Souls tied, intertwined by
our pride and guilt

There's darkness in the distance BbM7 Gm
(From the way that I've been livin')
But I know I (can't) resist i-i-i-(it)

[Chorus] Bb Gm Dm Dm
Oh, I love it and I hate it at the same time
You and I drink the poison from the same vine
Oh, I love it and I hate it at the same time
Hidin' all of our sins from the daylight
((…/Runnin') from the daylight x4)
Oh, I love it and I hate it at the same time

Tellin' myself it's the last time
Can you spare any mercy that you might find
If I'm down on my knees again - …
Deep down, way down, Lord, I try
Try to follow your light but it's nighttime
Please don't leave me in the end
