Is it getting better - Or do you feel the same
Will it make it easier on you now
You got someone to blame You say [Chorus]
                  one love, E C#m
When it's one need in the night one life AM7 E
One love, we got to share it
It leaves you baby, if you don't care for it
                  [Intro]
Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without

One
U2

Well, it's too late, tonight
To drag the past out into the light
We're one but we're not the same
We got to (carry each other x2), one [Intro]

Have you come (here for forgiveness/
  to raise the dead/here to play Jesus) (x3)
To the lepers in your head
                  [Intro]
Did I ask too much, more than a lot C#m F# AM7 B
You gave me nothing, now it's all I got
We're one but we're not the same
Well, we hurt each other then we do it again

You say [Bridge] E C#m E C#m - E B B AM7 - AM7
  (love is a temple, love's (a/the) higher law x2)
You ask me to enter but then you make me crawl
And I can't be holding on to what you got
When all you got is hurt
                  One love, one blood
  One life, you got to do what you should
  One life, with each other - Sisters, brothers
  One life but we're not the same
We got to carry each other (x2), one - One - … (x3)
 Oooooh, ohoohoho - Baby, baby, baby - Haahaaaha (x4)
