Rain - Steve Conte

```
I don't feel a thing                [Verse]
And I stopped remembering          C#    C#
The days are just like moments     C#m   C#m
    turned to hours - …            Bs4 B
Mother used to say                 F#   F#
If you want, you'll find a way
But mother never danced through
    fire shower
                                   [Chorus]
      (F#m F#m C# C# x2) - Bbm  Bbm  F   F
Walk - In the rain (x3)  Dm Dm A  Am
I walk (in the rain x2)  F   F   Am E
((Is it) right  - Or (is it) wrong
 And is it here - That I belong)

I don't hear a sound
Silent faces in the ground          [Intro]
The quiet screams but I             C# C# C# C#
    refuse to listen - …
If there is a Hell
I'm sure this is how it smells
Wish this were a dream but no, it isn't

[Chorus] ((Am I)) [Instru - Verse] (x2)
[Chorus] (Why do I - Feel so alone
   For some reason - I think of home)
