

Forever - Ben Harper

(Not talkin' 'bout a year [Verse]
No, not three or four C# F# G# Bbm
I don't want that kind of forever
In my life anymore)

Forever always seems
To be around when it begins
But forever never seems
To be around when it ends [Chorus]
(C# G# Bbm G# x3)

So give me your forever C# G# G# Bbm
... - Please your forever - ...
Not a day less will do - ... - From you

People spend so much time [Intro]
Every single day C# F# G# Bbm
Runnin' 'round all over town C# F# G# X
Givin' their forever away X X

But no, not me
I won't let my forever roam [Chorus]
And now I hope I can find [Solo
My forever a home Verse~Chorus]

(Like a handless clock with [Verse]
numbers - An infinite of time
No, not the forever found
Only in the mind) [Chorus]
