

# Jah Work - Ben Harper

Tell me, do you really know [Verse]  
Your brother man G#m E B F#  
Cause a heart speaks louder  
Than a color can [Intro] (x4)  
And why would you even G#m G#m G#m G#m  
Shake a man's hand  
If you're not going - To help him stand

[Chorus] G#m G#m C#m C#m - F# F# G#m G#m  
Jah work (x3) - Is never done [Intro]  
(x2)

Every man's actions - Belong to him  
If prepared for thereafter  
To reach his destiny  
(Some people (believe/deceive)  
And some people (know/show) x2)

You must do the heaviest [Chorus]  
So many shall do none (x2)  
You have got to stand firm [Intro]  
So many shall run (x2)  
Some, they rest their head at night  
Some get no sleep at all  
If you listen close [Chorus] (x2)  
to what you see [Solo - Chorus]  
You will hear the call [Intro] (x4)
