

Concrete Jungle - Bob Marley

[Verse] Fm Bbm Fm Fm - Fm Bbm D# D# - C# Fm C# Fm
G# G# D# D# - Fm Bbm Fm Fm

No sun will shine - In my day today
The high yellow moon - Won't come out to play
I said darkness has covered my light
And has changed my day into night, yeah
Where is the love to be found
(Won't someone tell me 'cause) life
Must be somewhere to be found

[Intro &
Chorus]

Instead of concrete jungle (Fm Bbm
Where the living is hardest Fm Fm x2)
Concrete jungle - Man, you got to do your best

No chains around my feet - But I'm not free, oh
I know I am bound here - In captivity, yeah
I've never known happiness, yeah
I've never known what sweet bless is, still
I'll be always laughing like a clown
Won't someone help me 'cause I, sweet life
I've got to pick myself from off the ground

In this a-concrete jungle - I said, what do you
cry for me now, oh - Concrete jungle, ah
Won't you let me be now,
eh, oh, now

[Solo - Verse
Last 2 lines]

Oh, instead, concrete jungle (I said that)
...lusion, confusion, eh
Concrete jungle - You name it, we've got it in
concrete jungle now, eh
Concrete jungle - What do you stand for me now
