Didn't know what time it was,
lights were low-ow-ow
I lean back on my radio-o-oh
Some cat was laying down some rock'n'roll,
lotta soul, he said
Then the loud sound did seem to fa-a-ade
Came back like a slow voice
on a wave of pha-a-ase
That weren't no DJ that was hazy cosmic jive

Starman

[Chorus] (F# D#m Bbm-Bbm7 C#-C#7 x2) - B-Bm F#-D# G#m-C#
(There's a) starman waitin in the sky
He'd like to come and meet us
but he thinks he'd blow our minds
There's a starman waitin in the sky
He's told us not to blow it
'cause he knows it's all worthwhile
He told me, let the children (lose/use) it (x2)
Let all the children boogie

David
Bowie

[Instru]
Well, I had to phone someone B F# C# F# - B F# C#
so I picked on you-ou-ou
Hey, that's far out, so you heard him too-oo-oo
Switch on the TV, we may pick him up
on Channel Two
Look out your window, I can see his li-i-ight
If we can sparkle, he may land toni-i-ight
Don't tell your papa or he'll get us
locked up in fright
