

You see seh Jah Jah give we life after all - ... [Intro]
Still none a-dem nuh give no thanks at all - ... Bbm Bbm
Dem think seh dem a-rise, me see dem a-fall - ... D#m Fm
Fall dem a-fall, fall dem a-fall

[Hook] (x2)

How long you a-go run away, run away from yourself
You nuh see seh that a-truth a-go reveal - And every day
(you gotta pray x1~3, (well, that you fi go do
And make your life one a-di real/...) x2)

[Verse]

How you fi expect love and a-still a-glorify di gun-a
You want clarity if a-coke you nuh stop bunin'
Hafi your dirty lifestyle nuh give you no way fi turnin'
Still nuh realize that you wrong
After you come out a-your church,
you beat your baby mother down
Tell her seh you're sorry but your head did full a-rum
She couldn't tek your excuse and your flattering tongue
That's why she left you today and still a-ask

[Ho-

Dem seh dem a-di dolphin but me see dem a-di shark ok]
Dem stand ina di spotlight and a-live ina di dark
Claim say dem a-grounded but me see dem a-skylark
So to me dem can't talk
In this time and this ages, man hafi be smart
Think before you talk and watch the road what you a-walk
Wakin' up yah conscience, you can't miss di mark
And make a joyful sound unto di Lord

[Hook]

Nuff a-dem, we see seh dem no part dis world
dem a-preach

Dem hufi go back a school so a-no me dem can teach
A fi dem dirty talk, dem call it freedom of speech
Me wonder who dem try reach, well then
Righteousness uno fi go check it
Go long and do some good ina your life,
wickedness uno fileft it
Clean heart always a-make it

Runaway Gentleman

And from you see a chance ina your life,
you better take it, nuh reject it
