

[Intro] C C G G - Am Am F F
 Well, I don't have as many friends because
 I'm not as pretty as I was
 I've kicked myself at times
 Because I've lied
 So I will have to learn to stand my ground
 I'll tell 'em I won't be around
 I'll move on over to your town and hide

The Captain

[Chorus] (C C G G - Am Am F F x2)
 ((C C G G - F F x1) F F x1)

And you be the captain - And I'll be no one
 And you can carry me away - If you want to
 And you can lay low - Just like your father
 And if I tread upon your feet
 You just say so
 (('Cause you're the captain, () I am no one
 (I tend to feel as though I owe one to you)
 (...) x1) - To you x1)

[Intro]

Well, I have handed all my efforts in
Searched here for my second wind
 Is there somewhere here to let me in - I asked
 So I slammed the doors they slammed at me
 I found the place I'm meant to be
 I figured out my destiny at last [Chorus]
