

When you get older, plainer, saner  
Will you remember all the danger we came from  
... - ... - Burnin' like embers, falling tender  
Long before the days of no surrender years ago  
And will you know

[Pre-Chorus] (.../F#m D)  
So smoke 'em if you got 'em - Cos it's going down  
All I ever wanted was you - ...  
(I'll never get to heaven - Cos I don't know how)  
Let's raise a glass or two

[Chorus]  
To all the things I've lost on you - Hoho (D D)  
Tell me, are they lost on you - Ohoh  
Just that you could cut me loose - Hoho  
After everything I've lost on you  
Is that lost on you - Hohohohoho - Hoho  
Hohohohoho - Is that lost on you  
Hohohohoho - Hoho

[Intro] (x2)  
Bm Bm  
E E  
Wish that I could see the machinations F#m F#m  
Understand the toil of expectations (F#m F#m)  
in your mind - ... - ...  
Hold me like you never lost your patience  
Tell me that you love me more than hate me  
all the time - And you're still mine

[Pre-Chorus] [Chorus] 

Lost on You
