

While My Guitar Gently Weeps

The Beatles

[Verse] Bbm Bbm Gm7 F#M7 - Bbm G# D# F
Bbm Bbm Gm7 F#M7 - Bbm G# C# F

(I look at you all - See the love
there that's sleeping)

[Intro]

While my guitar gently weeps - ... Bbm Bbm
(I look at the floor Gm7 F#M7
And I see it needs sweeping) Bbm G#
Still my guitar gently weeps D# F

[Chorus] Bb Dm Gm Dm - Cm Cm F F

I don't know why - Nobody told you

How to unfold your love - ...

I don't know how - Someone controlled you

They bought and sold you

(I look at the world [Verse]

And I notice it's turning)

(With every mistake [Solo

We must surely be learning) Verse]

I don't know how - You were diverted

You were perverted too - ...

I don't know how - You were inverted

No one alerted you

[Verse] (...) [Solo]

(Love, look at you all) (x2)
