Last night Am Am  
That I was walking Dm G  
On a street of gold Am Am  
This dream that I saw  
Is where I and I should have been  
So let's unite and stand up  
Fight for our rights [Chorus]

Dreadlocks, the time is now Am G  
Stand up, fight for your rights  
Or you ain't gonna get  
your culture, man  
Roots Natty, don't give up, oh, don't

If I am wrong  
Be not afraid to say so [Chorus]  
Is there any difference [Fill]  
Between the human race (Am G x2)  
We are all of one skin [Intro]  
Same blood, same soul [Chorus]  
But there are some who think (x3)
