

(Lala, lalala x2) [Intro] Bb F# C# G# (x2) [Link]

F# G#

I wrote her off - For the tenth time today F# G#

And practiced all - The things I would say

But she came over - I lost my nerve [Intro]

I took her back - And made her dessert (x2)

Oh, I know - I'm being used

That's okay, man - Cos I like the abuse

I know - She's playing with me

That's okay - Cos I've got no self-esteem Self

Esteem

[Hook] ((Oh way/...), ohoh yeah - Yeah x1~3) The

Offspring

We make plans - To go out at night

I wait 'til two - Then I turn out the light

This rejection's - Got me so low

If she keeps it up, I just [Hook]

Might tell her so (D# B F# C# x6)

[Chorus] D# B C# G# - F# F# F# G#

When she's saying - Oh, that she wants only me

Then I wonder why - She sleeps with my friends

When she's saying - Oh, that I'm like a disease

Then I wonder - How much more I can spend

Well, I guess - I should stick up for myself

But I really think - It's better this way

The more you suffer - The more it shows

You really care - Right, yeah

[Intro]

Now I'll relate - This little bit (x2)

It happens more - Than I'd like to admit

Late at night - She knocks on my door

She's drunk again - And looking to score

Oh, I know - I should say no, but

It's kinda hard - When she's ready to go

I may be dumb - But I'm not a dweeb [Hook]

I'm just a sucker - With no self-esteem [Chorus]
