

Is it getting better - Or do you feel the same

Will it make it easier on you now

You got someone to blame

You say [Chorus]

one love, C# Bbm

When it's one need in the night

one life F#M7 C#

One love, we got to share it

It leaves you baby, if you don't care for it

[Intro]

Did I disappoint you

Or leave a bad taste in your mouth

You act like you never had love

And you want me to go without

One
U2

Well, it's too late, tonight

To drag the past out into the light

We're one but we're not the same

We got to (carry each other x2), one

[Intro]

Have you come (here for forgiveness/

to raise the dead/here to play Jesus) (x3)

To the lepers in your head

[Intro]

Did I ask too much, more than a lot

Bbm D# F#M7 G#

You gave me nothing, now it's all I got

We're one but we're not the same

Well, we hurt each other then we do it again

You say [Bridge] C# Bbm C# Bbm - C# G# G# F#M7 - F#M7

(love is a temple, love's (a/the) higher law x2)

You ask me to enter but then you make me crawl

And I can't be holding on to what you got

When all you got is hurt

One love, one blood

One life, you got to do what you should

One life, with each other - Sisters, brothers

One life but we're not the same

We got to carry each other (x2), one - One - ... (x3)

Oooooh, ohohoho - Baby, baby, baby - Haahaaha (x4)
