

[Verse] (Bb G# x4) - (D# F x3)

I recommend getting your heart trampled on

To anyone, yeah, oh

I recommend walking around naked

You Learn

In your living room, yeah

Swallow it down, what a jagged little pill

It feels so good, swimming in your stomach

Wait until the dust settles

(You (live/love/cry/lose/ [Chorus] Bb Gm7
bleed/scream), you learn x6) F D#

I recommend biting off more than you can chew

To anyone, I certainly do

I recommend sticking your foot in your mouth

At any ti-i-ime, yeah ohh, feel free

Throw it down, the caution blocks you

from the wind - Hold it up to the rays

You wait and see

when the smoke clears

[Chorus]

[Bridge] D# F (C#>D#-Bb x8)

Wear it out, the way a ((.../Laha) ay,

three year old would do hell yeah x1~4)

Melt it down, you're gonna

have to eventually anyway

[Intro] Bb G#

The fire trucks are coming up

Bb G#

around the bend
