

I want you to know - That I'm happy for you [Verse]
I wish nothing but - The best for you both G#m
An older version of me, is she perverted like me G#m
Would she go down on you in a theater C#
Does she speak eloquently C#
and would she have your baby
I'm sure she'd make a really excellent mother

'Cause the love that you gave that we made [Pre-
wasn't able to make it enough for you Chorus]
To be open wide, no G#m B C# C#
And every time you speak her name,
does she know how you told me you'd hold me
Until you died, til you died but you're still alive

And I'm here to remind you [Chorus] (G# F#
Of the mess you left when you went away B C#
It's not fair to deny me x2)
Of the cross I bear that you gave to me C#
You, you, you oughta know

You seem very well - Things look peaceful
I'm not quite as well - I thought you should know
Did you forget about me, Mr. Duplicity
I hate to bug you in the middle of dinner
It was a slap in the face,
how quickly I was replaced
And are you thinking of me when you fuck her

[Pre-Chorus] [Chorus] [Solo - Verse]

You Oughta Know

Alanis Morissette

'Cause the joke that you laid in the bed, [Pre-
that was me and I'm not gonna fade Chorus]
As soon as you close your eyes and you know it
And every time I scratch my nails
down someone else's back [Chorus]
I hope you feel it, oh, can you feel it (x2)
