

# I Like the Way You Kiss Me - Artemas

[Chorus] Bbm F# C# Fm [Intro]  
(I like the way you kiss me, Bbm Bbm  
I can tell you miss me (I like the  
I can tell it (hits x4) way you  
Not tryna be romantic, (kiss me/  
I'll hit it from the back uh)  
Just so you don't get attached, x2)  
'tached, 'tached, 'tached x2)

You bite my lip just for the taste  
You're on your knees, I'm on the case  
You take the heat and with such grace  
You say we're done but here you stay  
You said you're scared,  
(I'll let you down x2)  
Stick around (and you'll find out x2)  
But don't you wanna make me proud,  
so make me proud  
'Cause I'm so proud,  
baby, I'm so proud of you [Chorus]

Do I stress you out, can I help you out  
Does it turn you on  
when I turn you 'round  
Can we make a scene, can you make it loud  
'Cause I'm so proud,  
baby, I'm so proud of you [Chorus]  
(... - (.../Mmh) so proud of you x2) [Intro]
