

[Verse] (G G A A x3) - G G F#m F#m
She love to party - Have a good time
She looks so hearty - Feeling fine

She loves to smoke
Sometime shifting coke [Chorus]
She'll be laughing when (x2)
There ain't no joke G G A A

A pimper's paradise
[Bridge] That's all she was (now/...)
D A Bm G

(Every need got an ego to feed - ... x2)

She loves to model
Up in the latest fashion
She's in the scramble
And she moves with passion
She's getting high - Trying to fly the sky
Now she is bluesing

Pimper's Paradise Bob Marley

When there [Chorus] (x2) [Bridge]
ain't no blues [Chorus]

[Outro]

A pimper's paradise G G A A - G G F#m F#m
I'm sorry for the victim now
Soon their heads, soon their heads
Soon their, soon their very heads will bow
Pimper's paradise, don't lose track
Don't lose track of yourself, oh, no
Pimper's paradise, don't be just a-stuck
B-stuck on the shelf, stuck on the shelf
Pimper's paradise - That's all she was now
A pimper's paradise - Be careful (x2)
