

[Verse] Bm D A Bm - Bm D A Em [Intro] (x2) Bm D A Bm  
The pictures tell the story, this life has many shades  
I'd wake up every morning and before I'd start each day  
I'd take a drag from last night's cigarette  
that smoldered in its tray [Fill]  
Down a little something and then be on my way Bm Bm

I traveled far and wide and laid this head in many ports  
I was guided by a compass, I saw beauty to the north  
I drew the tales of many lives and wore the faces of my own  
I had these memories all around me so I wouldn't be alone

[Chorus] D A Em Bm - D A Em (Em) - (Bm D Em Em>A-Bm)  
Some may be from showing up, others are from growing up  
Sometimes I was so messed up and didn't have a clue  
((I ain't winning no one over, I wear it just for you/  
In a rose tattoo (x2)) - (I've got your name  
written here in a rose tattoo) x2) [Intro]

This one's for (the mighty sea, mischief, gold and piracy/  
the man that raised me, taught me sacrifice and bravery/  
our favorite game, black and gold, we wave the flag/  
my family name, with pride, I wear it to the grave) (x4)

[Chorus] (...) (.../D A Em Em-X - Bm) (x1~2) [Bridge] G D A Bm  
G D A A

This one means the most to me, it stays here for eternity  
A ship that always stays the course,  
an anchor for my every choice  
A rose that shines down from above,  
I signed and sealed these words in blood  
I heard them once, sung in a song,  
it played again and we sang along [Intro]
