

Just a small town girl [Intro] F# C# D#m B
Living in a lonely world F# C# Bbm B
She took the midnight train - Going anywhere
Just a city boy
Born and raised in south Detroit
He took the midnight train - Going anywhere

A singer in a smoky room [Intro]
The smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

[Chorus]
Strangers waiting (B B F# F# x3)
Up and down the boulevard B B C#-F# C#-F#>B
Their shadows searching in the night - ...
Streetlights, people
Living just to find emotion [Link]
Hiding somewhere in the night F# C# D#m B

Working hard to get my fill
Everybody wants a thrill
Paying anything to roll the dice
Just one more time
Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on and on and on

Don't Stop Believin' Journey

[Chorus]
[Intro]

(Don't stop believing
Hold on to that feeling
Streetlight people - Ohohohhhh x3)
