

[Intro] C# C# G# G# - Bbm Bbm F# F#

Well, I don't have as many friends because

I'm not as pretty as I was

I've kicked myself at times

Because I've lied

So I will have to learn to stand my ground

I'll tell 'em I won't be around

I'll move on over to your town and hide

The Captain
Kasey Chambers

[Chorus] (C# C# G# G# - Bbm Bbm F# F# x2)

((C# C# G# G# - F# F# x1) F# F# x1)

And you be the captain - And I'll be no one

And you can carry me away - If you want to

And you can lay low - Just like your father

And if I tread upon your feet

You just say so

(('Cause you're the captain, () I am no one

(I tend to feel as though I owe one to you)

(...) x1) - To you x1)

[Intro]

Well, I have handed all my efforts in

Searched here for my second wind

Is there somewhere here to let me in - I asked

So I slammed the doors they slammed at me

I found the place I'm meant to be

I figured out my destiny at last

[Chorus]

... - Did I forget to thank you [Li- C# C# F7 F#

For the ride, I hadn't tried nk] G# C# Bbm G#
