

I walked across an empty land  
I knew the pathway like the back of my hand  
I felt the earth beneath my feet  
Sat by the river and it made me complete

[Pre-Chorus] G#m D#m C#m E-F# || Keane ||  
Oh, simple thing, where have you gone  
I'm getting old and I need  
something to rely on

So tell me when you're gonna let me in  
I'm getting tired and I need  
somewhere to begin

Somewhere  
Only We Know

I came across a fallen tree  
I felt the branches of it looking at me  
Is this the place we used to love  
Is this the place that I've been [Intro]  
dreaming of (x2)

[Pre-Chorus] B D#m

[Chorus] (C#m B-F# x3) C#m F#s4-F#  
C#m D#m - (C#m D#m C#m F#)

And if you have a minute, why don't we go  
Talk about it somewhere only we know  
This could be the end of everything  
So why don't we go (somewhere only we know  
Somewhere only we know (x1))

[Pre-Chorus] [Chorus] ( ) (so why don't we go)
