

There's a nail in the door [Verse] Bm A Em Bm
and there's glass on the lawn D Em F# F#7
Tacks on the floor and the TV is on
I always sleep with my guns - When you're gone
There's a blade by the bed and a phone in my hand
A dog on the floor and some cash on the nightstand
When I'm all alone, the dreaming stops

And I just can't stand [Chorus]
What should I do,

Goodnight Moon
Shivaree

 Em Em Bm Bm
I'm just a little baby Em Em C#7 F#7
What if the lights go out and maybe (Bm Bm Bm F#7
(And then the wind just starts to moan) x1)

Outside the door, he followed me home (x4)
Now goodnight moon, I want the sun [Intro]
If it's not here soon, I might be done Bm Bm<X
(No, it won't be too soon 'til I say

Goodnight [Intro]
moon x1) [Break]

There's a shark in the pool and a witch in the tree X

A crazy old neighbor and he's been watching me
And there's footsteps loud and strong
Coming down the hall - Something's under the bed,
now it's out in the hedge - There's a big
black crow sitting on my window ledge
And I hear something scratching - Through the wall

Oh [Chorus] (I just hate to be all alone)
[Intro] [Break] [Instru - Verse]

Well, you're up so high, how can you save me
When the dark comes here, tonight to take me up
To my front walk and into bed
Where it kisses my face [Chorus] (x2)
and eats my head [Intro] (x4)
