

Tell It to My Heart - Taylor Dayne

[Verse] (Gm F Dm Gm x2) - D# F Dm Gm
I feel the night explode D# Cm D D
When we're together
Emotion overload - In the heat of pleasure
Take me, I'm yours, into your arms
Never let me go
Tonight, I really need to know

[Chorus]
Tell it to my heart, D# F Dm Gm
tell me I'm the only one
Is this really love or just a game
Tell it to my heart, I can feel my body rock
Every time you call my name

The passion's so complete [Intro] (x2)
It's never ending Gm F Dm Gm
As long as I receive
The message you're sending
Body to body, soul to soul [Chorus]
Always feel you near [Solo
So, say the words I long to hear Chorus]

Love, love on the run, [Interlude - Chorus]
breaking us down
Though we keep holding on
I don't want to lose [Break] D# D#-X
No, I can't let you go [Chorus]

(Tell it to my heart, [Link] (x3) [Chorus]
(tell me from the start/...) x2) (x2)
