And beg forgiveness, plead with you
But I know that it's too late (So)
And now there's nothing I can do [Link]
[Hook]
I would tell you that I loved you
If I thought that you would stay
But I know that it's no use [Intro

And you're already gone away (x4)
[Bridge] (F# G#m7 x3) - E F#
Misjudged your limits - Pushed you too far
Took you for granted
I thought that you needed me (more x3)
Now, I would do 'most anything
To get you back by my side
But I just keep on laughing [Hook] (x3)
Hiding the tears in my eyes [Intro - Rit]
