

(Lala, lalala x2) [Intro] B G D A (x2) [Link]
 G A

I wrote her off - For the tenth time today G A
 And practiced all - The things I would say
 But she came over - I lost my nerve [Intro]
 I took her back - And made her dessert (x2)
 Oh, I know - I'm being used
 That's okay, man - Cos I like the abuse
 I know - She's playing with me
 That's okay - Cos I've got no self-esteem Self
 Esteem

[Hook] ((Oh way/...), ohoh yeah - Yeah x1~3) The
 Offspring

We make plans - To go out at night
 I wait 'til two - Then I turn out the light
 This rejection's - Got me so low
 If she keeps it up, I just [Hook]
Might tell her so (E C G D x6)

[Chorus] E C D A - G G G A
 When she's saying - Oh, that she wants only me
 Then I wonder why - She sleeps with my friends
 When she's saying - Oh, that I'm like a disease
 Then I wonder - How much more I can spend
 Well, I guess - I should stick up for myself
 But I really think - It's better this way
 The more you suffer - The more it shows
 You really care - Right, yeah

[Intro]
 (x2)

Now I'll relate - This little bit
 It happens more - Than I'd like to admit
 Late at night - She knocks on my door
 She's drunk again - And looking to score
 Oh, I know - I should say no, but
 It's kinda hard - When she's ready to go
 I may be dumb - But I'm not a dweeb [Hook]
 I'm just a sucker - With no self-esteem [Chorus]
