

Jah Work - Ben Harper

Tell me, do you really know [Verse]
Your brother man Bbm F# C# G#
Cause a heart speaks louder
Than a color can [Intro] (x4)
And why would you even Bbm Bbm Bbm Bbm
Shake a man's hand
If you're not going - To help him stand

[Chorus] Bbm Bbm D#m D#m - G# G# Bbm Bbm
Jah work (x3) - Is never done [Intro]
(x2)

Every man's actions - Belong to him
If prepared for thereafter
To reach his destiny
(Some people (believe/deceive)
And some people (know/show) x2)

You must do the heaviest [Chorus]
So many shall do none (x2)
You have got to stand firm [Intro]
So many shall run (x2)
Some, they rest their head at night
Some get no sleep at all
If you listen close [Chorus] (x2)
to what you see [Solo - Chorus]
You will hear the call [Intro] (x4)
