

(From you have Jah Jah/Oh) [Hook] (x2)

Jah ina yuh life, everything nice
Behold dis my (brother/sister),
you don't have to think twice

Jah ina yuh life, everything is nice

Everything is beautiful and everything (alright/...)

Jah Ina Yuh Life Gentleman

Some a dem laws is only here to confuse you [Verse]

And some a-dem class is only here to amuse you

You got Jah in yuh life and Jah Jah choose you

Nuh make no wicked people come and abuse you

Bob Marley dun tell the world,

nuh make dem school you

Find a way out fi yourself, nuh make dem fool you

In dis ya-land of Babylon, nuh make dem rule you

Bun the fire Mr. Man, nuh make dem cool you

[Hook]

Light up a spliff and hole a-higher meditation

C-pon the hills me deh and look down pon creation

And a-see what Babylon a-do the nation

Still me a-go find a way fi resist dem temptations

Poor people come make we chant some redem...

Let we talk about some things what dem nuh mention

'Cause dem nuh 'member Jah at all in dem invention

So we know dat to destroy is dem intention

It's like we dun check dem levels

[Hook]

and we dun check dem class

Nuff a-dem we see seh dem a-snake under grass [In-

Wolf ina sheep clothing remove the mask tro]

Nuff a-dem a-bride from the boss (F#m F#m x2)

But I will believe in what is right (Bm Bm x2)

and I will stand for the cause

You think me a-forget how Christ died on the cross

Still nuh reminisce and nuh dwell ina di past

And righteousness

me bring cross

[Hook] [Verse] [Hook]
