

Fly Away - Lenny Kravitz

I wish that I could fly [Intro]
Into the sky, so very high C>D D#
Just like a dragonfly - ... Bb F
I'd fly above the trees (x4)
Over the seas, in all degrees
To anywhere I please - Oh

[Chorus]
I want to get away (x2)
I wanna fly away - Yeah (x3)

Let's go and see the stars
The Milky Way or even Mars
Where it could just be ours - ...
Let's fade into the sun
Let your spirit fly

where we are one [Chorus]
Just for a little fun (x2)
Oh, oh, oh yeah [Instru]
(x2)

((.../Girl), I gotta
(get away x2) [Chorus]
(.../Oh, oh, oh yeah) x2) (x6)
