

Beauty queen of only eighteen  
She had some trouble with herself  
He was always there to help her  
She always belonged to someone else  
I drove for miles and miles  
And wound up at your door  
I've had you so many times  
But somehow I want more

She Will  
Be Loved  
Maroon 5

[Intro] D#m C#  
D#m (C#)

[Chorus] F# C# D#m C#

I don't mind spending every day (F# C# D#m B  
Out on your corner, in the pouring rain x2)  
Look for the girl with the broken smile  
Ask her if she wants to stay a while  
(And she will be loved x2) [Fill] B

Tap on my window, knock on my door [Verse #2]  
I want to make you feel beautiful  
I know I tend to get so insecure  
Doesn't matter anymore  
It's not always rainbows and butterflies  
It's compromise that moves us along, yeah  
My heart is full and my door's always open  
You come any time you want, yeah

[Chorus] (x3)  
(x4)

[Bridge] (D#m C# x4) - B B  
I know where you hide, alone in your car  
Know all of the things that make you who you are  
I know that goodbye means nothing at all  
Comes back and begs me, catch her  
Every time she falls, yeah

[Verse #2  
Lines #1~2]

[Chorus] (.../Please don't try so hard (C#-X)  
(x7) To say goodbye) (x4~4)
