

When I look inna your eyes, [Verse #1] [Intro]  
I deh feel the sun deh rise Bbm C#  
Seems like you give me the thing D# F#5-G#5  
I've been deh missing inna mi life Oohooh,  
The things I gave up for search (.../oohooh)  
'cause I deh things I no go' find (x3~1~4)

But how could I find  
when there's no light inna mi night, I seh  
How could I find  
when there's just clouds and no sunshine  
You fill me up with joy and every moment's a surprise  
You set me free from Babylon,  
you make me leave this place for miles  
You're no illusion-a, so no, you are the truth  
Never forget, it's a-(you always you x3), wehe

Nanana, nanana na wehe [Chorus] (x2)  
Always you, always you, my sweet dream, (wehe/...)

Oh yes, you are mi earth and you make me give birth  
To melodies and thoughts enliven by your love  
I'm a global villager but you give me home

Wherever I-a wander, wherever I-a roam

While I write this-a song,

the world around me disappears

I dig inna my thoughts

and I speak this-a noiseless prayer

Lord of lords and king of kings, seh conquering lion  
Jah Jah, almighty one who art in a-mount Zion

I beg you guide and protect-a, protect the woman

Me call queen of queens and dream of dreams,

lioness, reflection of Patrice

You're right, the world restricts the sense

but I think you know what I mean

I mean what I really mean when I call [Chorus] (x4)

you my sweet dream, wehe [Intro] (x2)

[Verse #1] [Chorus] (x4)
