((It's been seven hours - And fifteen days/  
I go out every night - And sleep all day)  
Since you took your love away - ... x2)  
Since you've been gone - I can do whatever I want  
I can see whomever I choose - ...  
I can eat my dinner - In a fancy restaurant  
But nothing, I said nothing  
Can take away these blues

Nothing Compares 2 U

('Cause) nothing compares F# C# F# C# [Chorus #1]  
Nothing compares to you D# D# D# D#

It's been so lonely - Without you here  
Like a bird without a song - ...  
Nothing can stop - These lonely tears from falling  
Tell me, baby - Where did I go wrong  
I could put my arms - Around every boy I see  
But they'd only remind me of you - ...  
I went to the doctor and guess what he told me  
Guess what he told me  
He said, girl, you better try to have fun  
No matter what you do,  
but he's a fool

Was sometimes hard [Solo
