

Skunk Anansie - Hedonism

[Verse] (G#m G#m F# F# x3) - G#m G#m C# C#

I hope you're feeling happy now

I see you feel no pain at all it seems

I wonder what you're doin' now

I wonder if you think of me at all

Do you still play the same moves now

Or are those special moods for someone else

I hope you're feeling happy now

[Chorus #1] F# F# C# C# - G#m G#m B B

(Just because you feel - Good

(It doesn't make you right - Oh, no/

Still want you here tonight - () x2)

Does laughter still discover you

I see through all those smiles

that look so right

Do you still have the same friends now

To smoke away your problems and your life

Oh, how do you remember me

The one that made you laugh

until you cried

I hope you're feeling happy now
