

Linger - The Cranberries

If you, if you could return [Intro]
Don't let it (burn/fade) (x2) (x2)
I'm sure I might be rude F F C C
but it's just your attitude D# D# Bb Bb
It's tearing me apart,
it's ruining everything
And I swore, I swore I would be true
And honey, so did you
So why were you holding her hand,
is that the way we stand
Were you lying all the time,
was it just a game to you

((But) I'm in so deep) [Hook]
You know I'm such a fool for you
You've got me wrapped around your finger
(Do you have to x1~3) let it linger (x2)

Oh, I thought the world of you
I thought nothing could go wrong [Hook]
But I was wrong, I was wrong ((And))
If you, if you could get by [Intro]
Trying not to lie [Hook]
Things wouldn't be so confused [Hook]
and I wouldn't feel so used (
But you always really knew, [Intro]
I just wanna be with you (x2)
