[Verse #1]
(Every breath you take
And every move you make)
((Every bond you break, every step you take)
I'll be watching you x1)

[Verse #2]
(Every single day - And every word you say)
(Every game you play, every night you stay)

Oh, can't you see - You belong to me [Hook]
How my poor heart aches
With every step you take

(And every move you make [Verse
And every vow you break) #3]
(Every smile you fake,
every claim you stake)

E F# B B

[Bridge]
(G G A A x2)
Since you've gone,
I've been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying, baby, baby - Please
