

# Everybody Loves Somebody - Dean Martin

[Verse #1] G B C E - Am F D D7  
G Bm Am Am - D D7 G D7

Everybody loves somebody sometime - ...  
(Everybody falls in love somehow - ...  
Something in your kiss - Just told me  
My sometime is now) - ...

Everybody finds somebody someplace - ...  
There's no telling where  
love may appear - ...

Something in my heart - Keeps saying  
My someplace is here

[Chorus] G G7 G G7 - C E Am Am  
If I had it in - My power Em Em Bm Bm  
I('d) arrange Am E Am D  
for every girl - To have your charm  
Then every minute - Every hour  
Every boy would find what I've found  
In your arms

[Verse #2 - Part #1]  
(And although my dream was overdue - ...  
Your love made it well - Worth waiting  
For someone like you)

[Chorus] (would)

[Verse #2] [Verse #1 - Line #1] G B G
