

[Verse] (Cm Cm C# G# x2) - G# Cm F# Bbm - (G# C# Cm-D# G# x1)

Everything's okay - Walks along the dock
With some sailor's pay - Shoved down in his sock
Everything's okay - With some little boy in blue
Who don't know - You like I do
Everything's okay - Took him back to town
Well, I didn't get paid today
So I'm in the lost and found
And I wonder if that clown - Knows just what to do
What to say - And what not to

[Chorus]

The pretty words that you whispered (Fm-E7 G# x2)
Maybe I misunderstood Fm-E7 G#-G C# C#m
Somebody's not paying attention what they promised G#7
and their word - Isn't good

Everything's okay - I'm looking for you now
Down here by the bay - Where the water pounds
Up against the wall - That I'm coming to
'Cause I can't stay - Away from you

I don't need no satisfaction [Chorus]
And I don't take just because I can
Sometimes I get a strong impression that you just
don't understand - That kind of man [Intro]
(x2)

Everything's okay - I can see your face Cm Cm
Down there in the waves - Painted and erased
But I'm told it's just - The reflection of the moon
A big fake - Resembling you

I'm gonna go down in the water [Chorus]
And fill my mouth up full of sand
And I'll be waiting still impatient with my
dead imagination while you're with some other man

Everything's okay - I'll be with you soon [Verse] (x2)
I'm walking out to place - My arms around the moon
Yeah, I'll be with you soon - Just as soon as I pay
I'll walk 'cross the water - Everything's okay
Walk on the water - Everything's okay
