

I step off the train [Verse #1]  
I'm walking down your street again  
And past your door [Intro]  
(But) you don't live there anymore C#m C#m  
It's years since you've been there B B  
And now you've disappeared somewhere  
Like outer space  
You've found some better place

(And I miss you ()) [Hook] (x2)  
Like the deserts miss (the rain) C#m A B F#m

Could you be dead  
You always were two steps ahead  
Of everyone  
We'd walk behind while you'd run  
I look up at your house  
And I can almost hear you shout  
Down to me - Where I always used to be

Missing

Back on the train  
I ask why did I come again  
Can I confess  
I've been hanging 'round your old address  
And the years have proved  
To offer nothing since you moved  
You're long gone - But I can't move on

Everything  
but the Girl

[Verse #1] (I guess) [Hook] (x2)  
[Hook] [Hook] (yeah) (how I miss you)  
[Hook] [Hook] (yeah) (...)  
[Hook] (x2) (Deserts miss the rain) (...)
