

(C#-just di fire a-go (bun/blaze) dem (x1~1~1) [Chorus]
(Blaze (dem) Jah, (purge) dem ya/
Blaze up the fire, make it blaze) x2)

[Intro] (x4)

Me bun di fire from a distance Bm Em

Bun out dem forty-fives pon all dem sixpants

You get caught ina di flame but we nuh response

Babylon a-war, we puttin' up resistance

Jah give dem life and still

none a-dem nah give thanks

We show dem the light and dem nuh see it,

dem must be a-es blank

We see so many people dead so who's the next one

Adjust pollution, we come ya so fi step pon

Gentleman
Fire Ago
Bun Dem

[Chorus]

So me say blaze up the fire, make it blaze

Tell dem fi clean out da wax deh from outta dem ears

Me find out say nuff a-dem a-guess

Well, dat one ya chow dem like a prayer,

wanna blaze dem like lit

Fire fi you, from you a-fight against your neighbor

And fire fi you, from you becomes a player hater

Jah seh nuff a-dem nuh know the Savior

But we go cutt dem corruption like razor, question

What dem-a go do fi stop di fire blazer

Nuff a-dem we see say dem nah real but dem a-faker

That's why we put a-fire 'pon the undertaker

We show them that righteousness is greater [Chorus]

rus]

The ghetto youth, dem tell me fi go, fire burn

Then the more you live, the more you a-go learn

Go tell dem that Ethiopia is my concern

Bun down this snail and me bun down the worm, yow

Me bun the fiya and di table turn

The more me want the fire,

more the youth dem a-learn

The one ya name

[Chorus - Part #1]

(up) (burn) (x2)
