

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river and it made me complete

Oh, simple thing, where have you gone

I'm getting old and I need

something to rely on

So tell me when you're gonna let me in

I'm getting tired and I need

somewhere to begin

Somewhere
Only We Know

I came across a fallen tree

I felt the branches of it looking at me

Is this the place we used to love

Is this the place that I've been

dreaming of

And if you have a minute, why don't we go

Talk about it somewhere only we know

This could be the end of everything

So why don't we go (somewhere only we know

Somewhere only we know (x1))

[Pre-Chorus] [Chorus] (so why don't we go)
