x3~1) Bbm G# D#m F#

Hush, don't speak  
When you spit your venom, keep it shut  
I hate it when you hiss and preach  
About your new messiah  
'cause your theories catch fire

I can't find your silver lining [Pre-  
I don't mean to judge Chorus]  
But when you read your speech, it's  
tiring - Enough is enough

[Chorus]  
(I'm) covering my ears like a kid  
When your words mean nothing, I go lalala  
I'm turning up the volume when you speak  
'Cause if my heart can't stop it, I'll  
find a way to block it, I go

If our love is running out of time  
I won't count the hours, rather  
be a coward - When our words collide  
I'm gonna drown you out,  
before I lose my mind [Pre-Chorus]
