

# Lazy - Noir Désir

I can see you're young and pretty

I know it would be so easy

Anyway, dark lady, I feel lazy - ...

Those afternoons are confused

I don't think that you really choose

There's even one more reason

to feel lazy

[Intro]

[Chorus]

(While you go away - ... x4)

F# F# C#m C#m

I could die but I could lie

I can't deal with what's in your mind

Anyway, I'm tired and I feel lazy - ...

You know we're both lost in a maze

You're miserable, I'm so dazed

Don't you think you should

[Chorus]

feel suddenly lazy
