

Black Hole Sun - Soundgarden

In my eyes, indisposed [Verse]
In disguises, no one knows C D# Bb Am
Hides the face, lies the snake G# G C C#-X
And the sun in my disgrace
Boiling heat, summer stench
Neath the black, the sky looks dead
Call my name through the cream
And I'll hear you scream again [Break] X

[Chorus] G# G C-Bb D# - G# G (F G-X)
Black hole sun, won't you come
And wash away the rain
Black hole sun, (won't you come x3) [Break]

Stuttering, cold and damp [Intro]
Steal the warm wind, tired friend C D#
Times are gone for honest men Bb Am
Sometimes far too long for snakes G# G-X
In my shoes, a walking sleep X
And my youth, I pray to keep
Heaven sent hell away [Break]
No one sings like you anymore [Chorus] (x2)

[Chorus #2] (F D# G - F Cm G x2) (x5)

[Interlude] (C-B Bb x6) - C-X X

Hang my head, drown my fear [Verse]
Till you all just disappear C D# Bb Am-X - X

[Chorus] (x2) [Chorus #2] (x9) - C-B Bb C
