

Tell It to My Heart - Taylor Dayne

[Verse] (Am G Em Am x2) - F G Em Am
I feel the night explode F Dm E E

When we're together

Emotion overload - In the heat of pleasure

Take me, I'm yours, into your arms

Never let me go

Tonight, I really need to know

[Chorus]

Tell it to my heart, F G Em Am

tell me I'm the only one

Is this really love or just a game

Tell it to my heart, I can feel my body rock

Every time you call my name

The passion's so complete

[Intro] (x2)

It's never ending

Am G Em Am

As long as I receive

The message you're sending

Body to body, soul to soul

[Chorus]

Always feel you near

[Solo

So, say the words I long to hear

Chorus]

Love, love on the run, [Interlude - Chorus]

breaking us down

Though we keep holding on

I don't want to lose

[Break] F F-X

No, I can't let you go

[Chorus]

(Tell it to my heart, [Link] (x3) [Chorus]

(tell me from the start/...) x2) (x2)
