

While My Guitar Gently Weeps

The Beatles

[Verse] C#m C#m Bbm7 AM7 - C#m B F# G#
C#m C#m Bbm7 AM7 - C#m B E G#

(I look at you all - See the love
there that's sleeping)

While my guitar gently weeps - ... C#m C#m
(I look at the floor Bbm7 AM7
And I see it needs sweeping) C#m B
Still my guitar gently weeps F# G#

[Chorus] C# Fm Bbm Fm - D#m D#m G# G#
I don't know why - Nobody told you
How to unfold your love - ...
I don't know how - Someone controlled you
They bought and sold you

(I look at the world [Verse]
And I notice it's turning)
(With every mistake [Solo
We must surely be learning) Verse]

I don't know how - You were diverted
You were perverted too - ...
I don't know how - You were inverted
No one alerted you

[Verse] (...) [Solo]
(Love, look at you all) (x2)
