

((I play the/...) street life [Chorus]
 (Because there's no place I can go/ Am7 Am7
 It's the only life I know/ Dm7 Dm7
 And there's a thousand cards to play/ Em7 Em7
 Until you play your life away) x1~3) Am7 Am7

[Verse] D7 G Em7 A7 - D7 G CM7 CM7
 Cm7 F BbM7 Bm7 - D7 G CM7 E7

You let those people see - Just who you wanna be
 And every night you shine - Just like a superstar
 The type of life that's played

A temptin' masquerade [Intro] (x2)
 You dress, you walk, you talk Am7 Am7
 You're who you think you are Dm7 Dm7

Street life - You can run away from time [Chorus]
Street life - For a nickel or a dime
Street life - But you better not get old
Street life - Or you're gonna feel the cold

There's always love for sale
 A grown-up fairy tale
 Prince charming always smiles
 Behind a silver spoon
 And if you keep it young
 Your song is always sung
 Your love will pay your way
 Beneath the silver moon
