

Jah Give Us Life

The Wailing Souls

[Intro] F#m F#m A A

Jah Jah give us life to live

So let us live

So feel no way

When I man say

The light struck the night

And the morning come

So I've got to stay awake

To meet the

rising sun

[Chorus] (x2)

Too much injustice

Is upon the land

Yet the rastaman

He makes no plan
