Red Red Wine – UB40

Red, red wine, Goes to my head, Makes me forget that I Still need her so
Red, red wine, It's up to you, All I can do, I've done
                  B   A B B
Memories won't go, Memories won't go

             B   E   A   E
I'd have sworn, that with time, Thoughts of you would leave my head
        B   E   A   B
I was wrong, now I find, Just one thing makes me forget

Red, red wine, Stay close to me, Don't let me be in love   [Hook #2]
It's tearing apart, My blue, blue heart

I'd have sworn, that with time, Thoughts of you would leave my head
I was wrong, now I find, Just one thing makes me forget   [Hook #2]

Red red wine, you make me feel so fine, You keep me rockin' all of the time
Red red wine, you make me feel so grand
I feel a million dollar when you're just in my hand
Red red wine, you make me feel so sad, Any time I see you go, it make me feel bad
Red red wine, you make me feel so fine
Monkey pack him Rizla pon the sweet Dep line

(Red red wine) Red red wine, you give me whole heap of zing
Whole heap of zing, you make me do my own thing
(It's up to you) Red red wine, you really know how fi love
Your kind of lovin' like a blessing from above
Red red wine, I loved you right from the start
Right from the start with all of my heart
Red red wine in an eighties style, Red red wine in a modern beat style, yeah

(I'd have sworn) Give me a little time, help me clear up my mind   [Bridge]
(That with time) Give me a little time, help me clear up my mind
(Thoughts of you would leave my head)
Give me red wine, the kind make me feel fine
You make me feel fine all of the time

Red red wine, you make me feel so fine   [Verse #3]
Monkey pack him Rizla pon the sweet Dep line
The line broke, the monkey get choked, Burn bad ganja pon his little rowing boat

(Red red wine) Red red wine, I'm gonna hold on to you
Hold on to you 'cause I know your love true
(Stay close to me) Red red wine, I'm gonna love you 'til I die
Love you 'til I die, and that's no lie
(Don't let me be in love) Red red wine, can't get you off my mind
Wherever you may be, I'll surely find
(It's tearin' apart) I'll surely find, make no fuss
(My blue, blue heart) Just stick with us   [Bridge] [Verse #3]
