D# D# D# C#

You could put some joy C# C# Fm Fm  
upon my face

Oh, sunshine in an empty place

Take me to turn to

And babe I'll make you stay

Oh, I can ease you of your pain

Feel you give me love again [Hook]

'Round and 'round, we go (x2)

Each time, I hear you say [Link]

(x4)

Won't you teach me Fm D#

how to love and learn

There'll be nothing left for me to yearn

Think of me, oh, burn

And let me hold your hand

I don't wanna face the world in tears

Please, think again, I'm on my knees

Sing that song to me

No reason to repent [Hook] (x4)

I know you wanna say it [Link] (x4)
