

[Verse] Dm F C Dm - Dm F C Gm [Intro] (x2) Dm F C Dm  
The pictures tell the story, this life has many shades  
I'd wake up every morning and before I'd start each day  
I'd take a drag from last night's cigarette  
that smoldered in its tray [Fill]  
Down a little something and then be on my way Dm Dm

I traveled far and wide and laid this head in many ports  
I was guided by a compass, I saw beauty to the north  
I drew the tales of many lives and wore the faces of my own  
I had these memories all around me so I wouldn't be alone

[Chorus] F C Gm Dm - F C Gm (Gm) - (Dm F Gm Gm>C-Dm)  
Some may be from showing up, others are from growing up  
Sometimes I was so messed up and didn't have a clue  
((I ain't winning no one over, I wear it just for you/  
In a rose tattoo (x2)) - (I've got your name  
written here in a rose tattoo) x2) [Intro]

This one's for (the mighty sea, mischief, gold and piracy/  
the man that raised me, taught me sacrifice and bravery/  
our favorite game, black and gold, we wave the flag/  
my family name, with pride, I wear it to the grave) (x4)

[Chorus] (...) (.../F C Gm Gm-X - Dm) (x1~2) [Bridge] Bb F C Dm

This one means the most to me, it stays here for eternity

A ship that always stays the course,  
an anchor for my every choice

A rose that shines down from above,

I signed and sealed these words in blood

I heard them once, sung in a song,

it played again and we sang along

[Intro]

[Verse]

You'll always be there with me, even if you're gone Dm F  
You'll always have my love, our memory will live on C Gm
